## SUMMARY

I am an Inquisitive young lady with a lot of passion for technology. My mission is to create technological solutions to global issues using artificial intelligence and other emerging forms of technology.

## EDUCATIONAL BACKGROUND

**African Leadership University – Kigali, Rwanda**

**September 2023 – August 2026**

BSC(Hons) Software Engineering

*Relevant Coursework: Frontend Web Development; Web Infrastructure; Reflective Thinking; Learning Processes, Programming and Databases*

**Women Techsters Fellowship Program – Online**

**September 2023 – September 2024**

Data Science and Artificial Intelligence

*Relevant Coursework: Exploratory Data Analysis, Data Manipulation, Machine Learning*

## PROFESSIONAL WORK EXPERIENCE

**Community Moderator**

**July 2022 - January 2023**

**Kandaweather Ltd – Uyo, Nigeria**

- Planned and Executed weekly community events such as weather prediction contests, question and answer sessions, hackathons, and lots of fun activities.
- Resolved conflicts and helped maintain a peaceful and vibrant online community.
- Engaged users in topics related to weather events and provided feedback to the community managers.

**Community Moderator**

**October 2021 - June 2022**

**Chainindustry CO. – Uyo, Nigeria**

- I moderated the vibrant online communities of Chainindustry on Discord and Telegram by handling technical support, responding to tickets, and enforcing the rules and regulations of the community.
- Handled conflicts and provided feedback to the Chainindustry management team.
- I Created social media content for the company from time to time.

## EXTRACURRICULAR ACTIVITIES

**Participant, Entrepreneurial Leaders Action Lab**

**September 2023 - Present**

Currently participating in the entrepreneurial leaders action Lab challenges hosted by the African Leadership University. Working with a team of six called Emerging Innovators Creating Impact in African Entrepreneurship, with a mission to promote the English language at preparatory schools in Rwanda.

**Club member, Google Developer student club - African Leadership University**

**September 2023 - Present**

As an active member of the Google Developer Student Club (G.D.S.C.) at the African Leadership University, we work together to promote digital skills amongst ourselves and spread the impact to the public.
